Team Bond Policy

August 28, 2008

Each year the WVMHA receives fines from the EKMHA for missing game sheets, missed games and incomplete reports. It is felt that these fines use up valuable funds that the whole association has earned through fundraising activities. Therefore for the upcoming 2008/09 season each team will be required to post a cash fund of \$250.00 with the WVMHA before the start of any league play. Any fines from the EKMHA which are the responsibility of that team will be deducted from the cash fund and applied to fines. Monies left over at the end of the season will be returned to the team manager to be disbursed to the members of the team.

Teams not participating in EKMHA league play will not be required to provide this cash fund. Teams associated with the Central Alberta Hockey League are responsible for paying any fines levied against them by that league.

This policy will be reviewed on an annual basis.
